The Cypress range offers many of the comforts of home for considerably less than you might expect! That, and its spacious rooms and modern and stylish furniture, make this model particularly attractive to distributors.

Extensive seating and a fixed dinette provide plenty of room for families to get together and spread out. An attractive and well-equipped domestic style kitchen includes ample storage and worktops, a dedicated position for a microwave and the option of a built-in fridge-freezer, finished off with attractive MDF doors.

The bedrooms are a good size too, and the Cypress has a large family shower room and generous storage throughout. This holiday home has it all!

“ Terrific value for money for
such a high specification. ”
